# Medleys For Blended Worship -- Christmas: 10 Contemporary Arrangements Of Praise Songs With Carols (Alfred's Sacred Performer Collections)

## Synopsis

Traditional carols are often performed alongside contemporary Christmas songs in many of today's church services, giving rise to the term blended worship. This distinctive collection provides a valuable resource for pianists who want to play familiar holiday tunes in a tasteful and new style in addition to current Christmas songs of praise recognizable to most congregations. To assist in planning, performance times and optional segues are included. ## Customer Reviews

A personal gripe. All music books should have a spine that allows the pages to lay open.

This is my favorite arranger!! I buy any of her intermediate piano arrangement books I can. I've never been disappointed.

I like how Carol blends standard carols with modern praise songs. She does a great job of putting the two together and this is a good book for the Christmas season.
