Judy Martin has been quilting for 40 years and writing quilt books for 30. She is a former Senior Editor at Quilter's Newsletter Magazine and Quiltmaker. Stellar Quilts is her 20th quilt book. She also wrote such bestsellers as Judy Martin's Log Cabin Quilt Book, Scraps, Judy Martin's Ultimate Book of Quilt Block Patterns, and Scrap Quilts.

I'm making one of them now..Aegean Sea. Good guide with clear instructions.

## Great Book

gorgeous quilt / quilt patterns... in the process of making one now. Highly recommend this book to anyone who's looking for something out of the ordinary.

This book has met all the requirements for "wishing". Am looking forward to buying the appropriate fabrics to complete one of Judy Martin's beautiful designs. Have several of her other books and they offer great design and instructions. Never a disappointment!

There are some stunning stars here. Like all Judy Martin books, the patterns and directions are thoroughly tested and if you follow along carefully, you will get the pictured results. Plenty of gorgeous stars here to keep me sewing for a long time.

bought this for a quilt pattern.

This is an excellent book. Although the quilts look difficult, the instructions seem complete and I believe I can actually make a quilt from those instructions.

Perfect and easy to follow.
