I just love this book series. My daughter is 3 and this is her favorite series. We read one every night. The plots are easy to understand and always teach a cute lesson.

This is a pretty good Pinkalicious story that a lot of kids will probably identify with. It's Crazy Hair Day at Pinkalicious' school and she comes to school with her hair done exactly like another girl. The horror! In true Pinkalicious fashion, she creates a different hairstyle that girls imitate and wear to school the next day, showing how awesome Pinkalicious is. This isn't my favorite Pinkalicious book, but it's not bad. I'd recommend it if your child's school does crazy hair days or other such activities.

My granddaughters love this series!

My husband hates reading these book but my 4 year old loves them, so kind of a win-win.

My daughter loves this book

If you like Pinkalicious, you will enjoy this one as well.

My granddaughter loves Pinkalicious books. I've purchased numerous issues including Purplicious, Goldilicious, Silverlicious and have never been disappointed and neither has she. When I learn of another book to be released, I place a pre-order so I won't miss the purchase. These books are great for kids and fun to read to them!

Really cute story and no "brattiness" like some of the other pinkalicious books.
