Product Dimensions: 0.5 x 5.5 x 8.5 inches

Shipping Weight: 9.6 ounces

Average Customer Review: 3.3 out of 5 stars 3 customer reviews

Best Sellers Rank: #2,369,741 in Books (See Top 100 in Books) #35 in [Books > Travel > United States > New York > Niagara Falls](#) #143 in [Books > Travel > Canada > Provinces > Ontario](#) #469 in [Books > Travel > United States > Northeast > General](#)

## Customer Reviews

I would not waste your money on this book! We planned a family vacation to Niagara Falls and I read it cover to cover, eagerly anticipating our trip. The pizza place we wanted to try is closed on Sundays (which it fails to mention in this book) and the breakfast place was out of business altogether! It states that the Maid of the Mist is way less crowded on the American side... NOT SO! We were packed in like sardines and could see the Canadian side was much less crowded. It also doesn't say how incredibly crowded things were. The suggestion to purchase boat tickets for an afternoon boat ride would have been a terrible idea as the lines just continued to grow and grow and grow! We were traveling with 4 children, so I always try to read up and anticipate long lines, etc and have places picked out ahead of time to eat. This book was NO HELP AT ALL. Save your money!

This book has lots of helpful information about where to go and what to see around Niagara Falls, Canada. We had done research before our trip but having this guide helped while we were there. It

only has a few pictures but you will make plenty of your own while there.

Niagara Falls is one of the most famous places in the Americas. "Niagara Falls: With the Niagara Parks, Clifton Hill, and Other Area Attractions" serves as a history of the falls, a travel guide with plenty of details for the falls and the region, as well as plenty of advice for making the most out of a trip to the magnificent and breath taking natural wonder. A choice guide for any natural tourist, "Niagara Falls" is a fine addition to any travel collection.
