Customer Reviews

If you are a non-Chinese speaker, and cannot get around without pockets full of paper slips bearing the names of destinations in Chinese characters, then The Taxi Guide series of books are for you.

--Time Magazine - December 2006

Kimberly Fayet Whiley has been working and living in Hong Kong since 1989. She came up with these book's concept when traveling in Beijing in 1993 and found everyone living there had name cards and pieces of paper in their wallets to get around the city. She knew a simple book could do the trick and published the Hong Kong and Macau Taxi Guide a year later. In 2008 she rebranded the books under the Taxi Lingo brand. New books for Korean, Thailand and Vietnam are being done and hopefully on the market soon.
