Let the Spirit live inside you! Are you hungry for an encounter with Jesus? Do you want to make an impact on the world? In this book, you will discover: How to pay attention to the Holy Spirit and respond to Him. How the Holy Spirit manifests Himself. Biblical figures who were hungry for more of God's Spirit and learned to host Him. Stories of Presence-filled revivalists and personal encounters with the Presence! Bill Johnson writes: "We are enabled to partner with the Kingdom of Heaven and see it released here on earth! Customer Reviews

"The testimonies and truth, in these pages of inspiration, will open the eyes of your understanding in a whole new dimension in surrendering to the Holy Spirit." — Dr. Châf Ahn, Senior Pastor at HROCK Church, Pasadena, CA "This book is filled with lessons and

present day history of a tender man of God named Bill Johnson." **James W. Goll**, Encounters Network **Prayer Storm** **Compassion Acts** **Author of The Seer** "This is a book meant for recalibration, calling us back to our first love and warning us not to allow the lesser things to rob us of the most important, our relationship with Him. I believe it will become a classic devotional book for our day much as Andrew Murray's writings were for a bygone generation." **Randy Clark**, Founder of Global Awakening and Author of There Is More

Bill Johnson is a fifth-generation pastor with a rich heritage in the Holy Spirit. Together Bill and his wife serve a growing number of churches that have partnered for revival. This leadership network has crossed denominational lines, building relationships that enable church leaders to walk successfully in both purity and power. Bill and Brenda (Beni) Johnson are the senior pastors of Bethel Church, Redding, California. All three of their children and spouses are involved in full-time ministry. They also have nine wonderful grandchildren.

Best book I have read in last 10 years whereby Bill tells us how we are to live with Jesus and the Holy Spirit every day. It helps me to understand how men (and women) like Bill can operate in such a revealing level and deep relationship with our Father. Its a call for us in the body to go higher and to remain in His peacefulness and presence daily- a MUST read.

This was my first book that I've read from Bill Johnson. I was captivated by the deep and yet relatable insights throughout the book. It challenged me to the core to not settle for just good 'theology', but to actually experience and live as one who carries the Presence of God in practical reality. This book has started me on a journey to really walk with a real demonstration of his presence in my life, instead of just settling for solid, sound, theological knowledge. "One should lead to the other", as the author put it so simply in the book. And that's where I found the book to be so refreshing...it was so balanced with the Word of God and with equal emphasis of the practical application of the Word in our life. You have the sense that Bill Johnson lives what he preaches and was inviting all of us to experience the presence of God in our life in more fullness. This is a very necessary book for all of us today.

So many things in this book confirmed how Jesus really wants me to live in Him. My one responsibility is to rest in His Presence and to seek Him- all else falls into place and is taken care of

with that One Thing. If you're wondering whether or not to get this book, or if you think (like I did) that you already know what the book is about, I encourage you to get it and because no matter what, you will be plunged deeper in your walk with God. So many great testimonies and powerful teaching wrapped up in this one topic. It will be a blessing to me (and you) for many years to come.

It is so full of deep revelations, this is my second reading of the book. It is like the commercial that advertised about potato chips, one can't eat just one. I want to make sure that I consume every morsel in this book. The only problem I find in this book is his labeling of the manifestations of the Spirit of God as the person, wisdom, mercy, Holy Spirit. the only person (human) was Jesus.

Hugely inspiring book. Great examples, stories, challenges, very practical. No fluff!! Get ready to learn truth and how to be used to change the world, one place at a time.

Bill Johnson accomplishes here what few others authors seem capable of; sharing the revelation given to him with biblical references to back it. The emphasis is on scripture and not experience. By doing so he leads the readers into their own encounters devoid of a patented approach.

If you have ever been blessed enough to hear him teach, Bill Johnson has a single message that is the foundation of all his teachings. It is to experience and to live out the presence of God. I write this not so you will dismiss the book, but that you should fully embrace its message. Just like the presence of Holy Spirit never gets old or tired, but instead refreshes and revives, so does this book. It will inspire you to live in the presence of the Almighty every moment of your day. I return to it often.

if you want the fire and a hunger for God - start here. this book will open your eyes to things not seen. it will break barriers we set for ourselves when trying to cultivate a relationship with God. definitely worth reading
