The Family Of Jesus (Life-Changing Bible Story Series)

Synopsis

America's favorite inspirational novelist offers a fictional view of six of the family members of Jesus, all anchored by Scriptural truth, creating a life-changing and unprecedented emotional connection to the Bible. Through *The Family of Jesus*, readers will develop an emotional connection to the family members of Jesus, learning about their lives and falling in love with Scripture along the way. Bible studies and devotionals abound, and in churches everywhere people gather to seek a deeper understanding of God's word and its application to their lives. But too often these studies engage only the analytic approach to Bible learning. In *The Family of Jesus*, #1 New York Times bestselling novelist Karen Kingsbury will make you laugh, cry, and ultimately care more deeply about the Bible by helping you grasp the truths in Scripture not just with your mind, but with your heart. The characters in these short stories were among those closest to Jesus—Mary, Joseph, Jesus' brother James, John the Baptist, Zechariah, and Elizabeth. Each has a compelling tale to tell. Kingsbury intersperses fictional, emotionally gripping details anchored in Scripture with historical and theological insights and questions that will guide soul-searching and reflection. *The Family of Jesus* not only provides a deeper understanding of the relatives of our Savior, but also helps readers acquire tools that will draw them closer to Christ, to the Scriptures, and to each other.

Karen Kingsbury, #1 *New York Times* bestselling novelist, is America's favorite inspirational storyteller, with more than twenty-five million copies of her award-winning books in print. Her last dozen titles have topped bestseller lists and many of her novels are under development with Hallmark Films and as major motion pictures. Her Baxter Family books are being developed into a TV series slated for major network viewing sometime in the next year. Karen is also an adjunct professor of writing at Liberty University. In 2001 she and her husband, Don, adopted three boys from Haiti, doubling their family in a matter of months. Today the couple has joined the ranks of empty nesters, living in Tennessee near five of their adult children.

Karen is a wonderful Christian fiction writer, but she takes *The Family of Jesus* to a new level. Used this in conjunction with the workbook that compliments this book, as we did it as a ladies Bible Study class. Just made the characters of the family come alive & as if you were right with them. Mary, Joseph, Zachariah, Elizabeth, John, James. Beautifully written.

Simply Captivating! Once again Kingsbury hits it out of the park! Was skeptical as to how one could write between the lines of scripture, which to me, is sacred ground. However, Kingsbury did it in such a way that it was not only very believable, but you had a front row seat as you watched *The Family of Jesus* love Him, disown Him, and bury Him. My favorite Kingsbury book by far! Buy it today!!!

This was a great GREAT book! It was recommended to me from one of my residents where I work. She loves to read and said I would enjoy this book. She was right. Although the story is fictional Kingsbury draws you into the characters. It was fantastic I can't say enough about it. I am going to read it again and again, and for sure recommend it myself! Thanks :)

I loved the book and it was mostly biblically correct however it did have assumptions and add ins. Just read with precaution because not all that is written in the book is true but it might be a great idea to use the Bible to decipher what is and isn't true! Overall I remember ally did love the book!

Karen, you've done it again!! Wonderful books!! Can't wait to read more!

Great personal Bible study tool. I have been going to church since I was born but in this book Karen

brings out things I never before thought of. Although this is meant for a group study I find it very useful in my daily devotions.

it makes you realize that the family of Jesus was just like regular folks. They had hard times, heartbreak and everyday life. Good read and Bible study. would recommend this highly.

I really liked this book. This put them more with our own emotions that we feel as humans. Made me cry cause I could relate to how they felt. We studied this in our Church as a women's bible study. Class just ended really enjoyed.
