Customer Reviews

good book it was very awesome book ti read and I am really enjoying it and what it has to say.

Victoria Justice is like my favorite singer she's even on my backpack and lunchbox and I wish my room Hannah Montana is on my room I hate her now

This book didn't really catch my attention. I honestly think it deserves one star because it wasn't as good as I had expected it to be. Did not like it at all to be honest. So just one star probably even deserves less...

i love this book i really like the questions too. so if i can get all the questions correct, then you can to. love us. okay we are good.

well i just dunno what to say about this book because it's supposed to be about her life but it's not it's just not oh BTW this is Katrina Belcher
