Customer Reviews

This is the best of all the Hawaiian books I ordered. I good representation of songs of Hawaai, it will become a resourse for me when asked to play music of the islands and celebrate our 50th state with luaus and what have you! The book arrived quickly, was well packaged and was exactly what I was seeking.

Just what I wanted, a collection of Hawaiian songs I've heard in numerous places, such as in the film "The Descendants." This music deeply appeals to me with its warm harmonies and rhythms. Yum!

Very happy with the songbook.

good book

The collection is wonderful and I hope I pick up playing my uke easily.

Thanks for having this book in your "store". It is just the one-of-a-kind gift I needed for someone at Christmas, and they were very pleased, as am I. Thanks again!

This is a great collection of songs that are also important standards in the Hawaiian history of music. Though I do not play guitar, only 'ukulele, I can transpose the cords into 'uke. It was loved in my once a month 'uke club where I can introduce the songs!

Little comicated misic.
