Dr. Ronald Youngblood is a graduate of Valparaiso University (BA), Fuller Theological Seminary (BD), and the Dropsie College for Hebrew and Cognate Learning (PhD). He has served as professor of Old Testament at Bethel Seminary in St. Paul, Wheaton Graduate School, Trinity Evangelical Divinity School, and Bethel Seminary in San Diego, and is currently serving in the same capacity at International College and Graduate School in Honolulu. He is an associate editor of the NIV Study Bible; author of 1 and 2 Samuel in the Expositor's Bible Commentary series; and a co-translator and co-editor of the Holy Bible, New International Version. He has also edited and/or written ten other volumes, including Nelson's New Illustrated Bible Dictionary, for which he was awarded the Gold Medallion Book Award by the Evangelical Christian Publishers Association. He serves as chairman of the board of directors of International Bible Society and frequently engages in preaching and teaching ministries at home?

Hey, you can never have too many support books like this one. Nelson has never put out an

ill-conceived book, period. Get this one and you'll not be sorry!

I truly love this Nelson's Bible Dictionary and I use it daily on my 6" Kindle. Content-wise, it is superb. The entries are well vetted and chock full of useful information. My objection relates to the difficulty in being able to quickly search for a word. It is as though someone forgot to put text links in the Kindle Edition. If you are looking for e,g., BOAZ, you must navigate to the "B"s, then scroll through all the B listing until you finally get to BOAZ. You can't just search for the word itself. If Nelson would fix this, this edition would be nearly perfect, in my most humble opinion. God Bless.

The Nelson's New Illustrated Bible Dictionary is a good study tool for all SAINTS who loves the WORD OF GOD. Even though this was an used Bible Dictionary it was in tip top shaped. I have utilized it over and over again. This Bible dictionary helps understand the bible with clarity and if you need to look up dates, history, places and people of the bible, this is the bible dictionary you need to have. I HIGHLY RECOMMENDED it is a great dictionary of biblical knowledge.

I like and is useful not exactly what I wanted, however good material.

Product arrived as promised! Fast service with a high quality item. I highly recommend this seller because of his dedication.

This book was almost in perfect condition,,,So really proud of it since we were getting it for our son,,,He wanted a book instead of having it on his computer....Since I have the book and really like it got it as a gift ,,,,

I studied under Dr Youngblood. This is one of his finest works. Many hard-to-define topics are covered. Plenty of pix and archaeological references. Dr Y was a genius and could read ancient Sumerian cuneiform (I saw him do it!). If ever you need a dictionary definition of the Holy Spirit, this is the book.

I have had the hardcover addition of this book for many years and found it valuable when studying the Bible. When I got my IPAD, I installed the Bible and found I could get Nelson's Bible dictionary on it, too. It's really more like an encyclopedia because it has definitions as well as pictures and descriptions of places and events.
