ISBN-13: 978-0134349077

Product Dimensions: 1.5 x 9 x 11.5 inches

Shipping Weight: 4.9 pounds

Average Customer Review: 4.7 out of 5 stars 10 customer reviews

Best Sellers Rank: #146,822 in Books (See Top 100 in Books) #14 in Books > Teens > Education & Reference > Social Science > Sociology #5911 in Books > History > Americas > United States

## **Customer Reviews**

Never used history text book

I used this book in home schooling because it was the same book my son had been using in school and we just borrowed the same books to make the transition as easy as possible. I ended up enjoying it so much that I bought my own copy to keep for a reference. Lots of stuff I had forgotten or never learned, and that level of reading is easy to grasp the basics.

Great textbook for homeschooling, but I am having trouble finding a teacher's edition for this year of publishing. Might be better to purchase a more current book. I like the format, because the text is sequential and sections are short enough to handle and absorb.

Last year when my son had homework it always seemed he was carrying every book from every class so I started checking out how much I could purchase the books for to keep at home. I love history and as a parent, found this book very interesting to read.

No in depth treatment of pivotal events in the creation of this country. More emphasis on how we mistreated the natives.

Exactly what I needed, with my sons school unable to provide text books to bring home, this helps me give him a better chance at getting better grades.

Great! Thanks

great

This is a wonderful book for home or middle school!
