Speed Trap: A Single Dad Romance (Love Inspired Suspense)

Synopsis

The fatal crash was no accident. The killer's only mistake was leaving behind a survivor—a four-month-old boy. For his sake—and for his murdered mother's—Sheriff Mandy Scott will see justice served. And she already has her prime suspect: the boy's father, Garrett Bowen. Yet despite the evidence against him, something about the reclusive rancher makes Mandy question his guilt. Nothing is as it seems as crime starts spiraling out of control in Timber Wells. If Mandy lets herself trust Garrett, will he shield her from danger, or send her racing into another lethal trap?

Customer Reviews

I enjoyed this book which features a female sheriff trying to prove herself in a small, narrow-minded community. The author kept me guessing about the identity of the brains behind the drug-running operation. Patricia Davids is one author whose books I try not to miss.

I enjoyed the story. I was pretty sure who the main culprit was at 40%, but it was still a good read. It would have been easier to read, though, had there been some kind of break between paragraphs when scenes changed.

Was very good. Could not put it down. I am writing a Love Inspired Suspense, book myself. I enjoy all of the Love Inspired Suspense books!!! Thanks for all the wonderful Authors out there. God Bless you all.

I am a sucker for anything with a baby! This story also contained a very unique mutt. It was easy to pick out the bad guys in the story, but not all the ins and outs that tied them together. There was only one that I pegged wrong. It was really an informative read, and hilarious at times.

Loved this story!

I enjoyed it very much
