Wil Freeborn is one of Scotland's foremost artists whose multifaceted work straddles the fields of

design, illustration, and painting. He studied environmental art at Glasgow School of Art. After working as a designer for several design agencies, Wil rediscovered his love of drawing and painting while commuting to work every day. He has exhibited at Paisley Art Institute and the Royal Glasgow Institute and has work featured in *The Art of Urban Sketching* and *An Illustrated Journey*.

a terrific new watercolor book! Beautifully and clearly designed. Lots of new watercolor material to discover here. Perhaps for the more advanced watercolorist but worth buying whatever stage you're at. Love the double spread of all his moleskine sketchbooks on pages 26-27 (16 of them!). This artist doesn't sleep. Very specific details and watercolor tips included. Will you succeed in painting like Freeborn by the conclusion? Probably not and maybe a good thing. Will you have learned a lot of new valuable material? Definitely yes! Highly recommended to all serious watercolorists. Thank you Wil for a beautiful book.

Great little pictures to do 'on the fly'. Lots of fun!

A nice book for inspiration.

This was a decent book. I was expecting more though. You can follow along and paint the excursions while learning different watercolor techniques. I heard about it in Artists and Illustrators magazine after it had just been published.
