Barbara Hammet began her career teaching arts and crafts, and history of art. She runs her own business, Wessex Embroidery Collection, designing and selling kits based on historic designs, and this is her sixth book to be published by David & Charles.

Beautiful designs. A must have book.

Barbara Hammett creates lovely works of art and translates them into doable patterns. I have several pattern books of hers and am always on the lookout for more. Michelle V.

This book contains several major cross stitch projects based on well chosen iconic works from the Art Nouveau and Arts and Crafts Movements. It also contains lots of small motifs that can be used

in a variety of ways.

Barbara Hammett's cross stitch books are second to none.

Only disappointment was the bird house. very poor workmanship.

The artistic quality will be something I will always want to stitch.

Great product

I initially bought this book as the Art Deco period is fabulous, and when I saw the designs, I was captured. I'm presently undertaking one of the charts, using linen for the first time, and I can't wait to finish it, so I may try others. Well worth owing.
