Narrated with genuine affection for all things African. --Kirkus Reviews

Corinne Hofmann achieved international fame with *The White Masai*, which details the extraordinary story of her life with a Masai warrior in Kenya. A major motion picture followed and the book went on to sell over six million copies worldwide. Arcadia Books has also published two sequels: *Reunion in Barsaloi* and *Back from Africa*. Corinne Hofmann lives in Switzerland. For more information, please visit www.massai.ch.

This writing is not as good as *The White Masai* or *Return to Barsaloi*. Those were tremendous stories written with heart. *Africa, My Passion* should (in my opinion) have been about Ms. Hofmann and her daughter, alone. I guess what I am trying to say is, I did not think there was enough written

about the meeting between the daughter and her African family - especially Napirai and her father.

This is a wonderful book. The White Masai, Corrine's first book annoyed me to no end. For some reason, I continued to read her subsequent books. I changed my opinion of Corrine after this book. She doesn't irritate the heck out of me now. I think I may actually like her.

Like her other books I could not wait to find out about her return to Africa with her daughter. Not disappointed I could not put it down. Wonderful story and photos.

Great book. She never disappoints. Read the entire book in 1 1/2 days

Great book. I really enjoyed it as I did her first book.

I feel it was an easy money maker having already written the more substantial part of the story and set the most intriguing scene. Nevertheless it was an emotional intimately recorded .

excellent read..now looking forward to reading her first book ...that i couldn't get on my kindle..

I love all of Corinne's books. I've been to many of the places she talks about so I feel like I'm there.
