Customer Reviews

purchased as a gift. Was well received.

Wish the pages were perforated so I won't rip the pages.

Beautiful images!

Some pages are amazing while a lot of terrible prints. I LOVE all the images and wish they all were good quality, because the main image on the cover was the main reason I bought this coloring book and it is the worst quality picture to color out of all the images in the book...

It's just ok. It is kinda of generic looking. But my 8 year old daughter is obsessed with fox's so I'm sure she will love it. But I wouldn't buy it for me.

This coloring book was printed with what appears to be a different book replacing the fox theme for the the middle of the coloring book. My daughter loves foxes and started coloring and then realized many of the illustrations are of princesses and unicorns- book title - toy princess unicorn coloring book by Beatrice Harrison for 4 years and up. Cannot recommend for adults or older children.

It looks like a great book, but could be a bit thicker with more designs. Purchased this as a gift for my fellow fox lover.

I LOVE foxes! Looks like a fun book! Some illustrations are more simple than others but sometimes that's a nice break! I wish the illustrations took up the entire page but the foxes are fun!
