Kings And Giants (Wayang: Stories Of The Shadow Puppets Book 2)

Synopsis

Martini Fisher is back with the second installment of "Wayang: Stories of the Shadow Puppets" with stories of the first giants. Considered as big, menacing creatures, more disposed to rage than kindness, they have more in common with mankind than anyone realized. Living with the giants were also the first kings, descended from the gods themselves, trying to build their own places on earth, claiming a little bit of the world ruled by their forefathers. And throughout their lives, the gods weaved their divine presences, changing the mortals destinies as they see fit.
