Reviews "immensely enjoyable" •ForeWord Clarion Reviews "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures." •Kirkus Reviews "a fantastic book that has enchanted me" • Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" • Customer Review "Written in a very simple way but with a profound message for both adults and kids." • Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" •ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves whatever their size." •ForeWord Clarion Reviews Tags: Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

Am I small? is the world's first World Children's Book - available for every country on earth in at least one official language.

My kids absolutely love this book. They pull it out daily and practice saying microscopic, teeny-weeny or the merried of other adjectives used in both English and Romanian..... somehow, they find the words amusing. It's not exactly what I expected since the text is limited and the story is very short, but the illustrations are colorful and the overall theme is cute.

:)

illustrations are great and the story is good too

illustrations are very nice...however, the price should be max. \$3-5 for this very thin paperback

It's really hard to find English, Romanian childrens' books. This is a good one for young kids.

Cartea aceasta este foarte simplu, Dar iubesc-o!Very simple for my young child, and quite lovely illustrations.I recommend this book.

This has been read by a child and the review and suggestion comes from the reader. The fonts, especially for the dialogues within the pictures, should be bigger.
