Ann Voskamp is the wife of one fine, down-to-earth farmer; a book-reading mama to a posse of seven; and the author of the New York Times bestsellers *One Thousand Gifts*, which has sold more than one million copies and has been translated into more than twenty-one languages, and *The Broken Way*. Named by Christianity Today as one of fifty women most shaping culture and the church today, Ann knows unspoken brokenness and big country skies and an intimacy with God that touches wounded places. Ann is the writer for our day! She never ceases to amaze me with the depth of her words. This is a life-changing book.

This study has greatly effected me. I recommend this study for anyone who has experienced pain or sadness. Ann is so eloquent with descriptions. The study guide is a little hard to follow, but that is probably because I am reading a chapter per week. Just want to absorb the info.

I did this study with a group of women in a living sober facility and their response to Ann's video messages have been remarkable. They have really unopened up about their own brokenness and are truly seeing how The Trinity it's bringing wholeness back into their lives inspite of their emotional, spiritual and physical scarring. God is just so marvellous with His broken women. I to share my brokenness with the women which really gives them permission to do the same. This is an amazing study for meeting women in their brokenness and watching them let themselves be covered in the good brokenness of Christ. Thank you Ann, for sharing so much of your soul. God bless.

One of the best books I have every read. I started out 2017 wanting to dig into growing closer to God and reading all I could. This was my first book for the year and it did not disappoint. I love each book I have read by Ann Voskamp but have to say - in The Broken Way I felt each word God was directing toward me. This is for the broken - because we can live beyond.

Again, she writes a fantastic read...recommend it to everyone!

This study guide was very helpful going through our Women's study at church. It had helpful In between session points, that kept you in track waiting until the next session. I was relieved when going through this book, as a lot of women in our group stated that the book to this study guide was very scatter brained and kind of all over the place. This study guide was great for me

Excellent book....I would recommend it to anyone! Filled with many ah-ha! moments. It changed my perspective on issues I am dealing with.

Excellent study guide with thought-provoking questions. Not your average run of the mill guide

questions but ones that you have to dig deep for the answers.
