## Synopsis

More than ten million readers have enjoyed Robert Boyd Munger's spiritually challenging meditation on Christian discipleship. Imagining what it would be like to have Jesus come to the home of our hearts, Munger moves room by room considering what Christ desires for us. In the living room we prepare to meet Christ daily. In the dining room we examine together what appetites should and should not control us. We even explore the closets in our lives that Christ can help us clean out. Munger's practical and profound booklet (now revised and expanded) helps you give Christ control over all of your life.

Robert Boyd Munger, author of the best-selling book *My Heart as Christ's Home*, died February 16, 2001, at age 90. He earned degrees from the University of California at Berkeley, Princeton Theological Seminary and Whitworth College. Ordained as a United Presbyterian minister, he served as pastor of several congregations, including the First Presbyterian Church of Berkeley, California, where he first preached the sermon "My Heart as Christ's Home." Munger also served for many years as a professor at Fuller Theological Seminary in Pasadena, California. His other books include *What Jesus Said*; *New Life to Live*; *Jesus, Man of His Word* and *Leading from the Heart*.

I love word pictures and this is what this little book is. I word picture of the relationship Christ would like to have with each and every person. It's the reason he died and rose again, to give us a life to live eternally with him. He has gone to prepare a place for me and you. He too would like to be invited into our lives here on earth. You haven't lived until you've lived a life committed to bringing glory to Christ.

Using this at a February Women's Breakfast to hand out after a devotional on the heart. I read this many years ago and is in such a nice little booklet now.....perfect to give out as a Valentine present to my ladies. Gave this out to my ladies and they loved it.

wonderful little book. Gave it to many of my friends

This is a classic parable of what theologians call progressive sanctification. It describes how an evangelical Christian learns to commit more of her life to Christ as time goes on.

Awesome messge.

This is a very nice book, I enjoyed it a lot.

Easy to read, forms a perfect picture of our lives and how our spiritual walk with God compare. Buying some for gifts and give-aways. I read portions to my husband who is a preacher and all he could keep saying is... That will preach!
