Customer Reviews

This one of the best strategy guides that has ever hit the stores. I work On-Que and about 5 to 8 people come wondering if we have STAR TREK KLINGON ACADEMY a day. Well this is the best game, but I could not get passed board 6. So I will be getting passed it in about 5-6 days. My friend has the strategy guide but won't let me use so I'm getting one, ENJOY, General Bic

Well, all that I can say is FANTASTIC! This book really helps you at all parts of that game. If you are having trouble getting past that ship or station, or your getting shot at and you can't get away, you need this book. Full of information that will help you get past the game with ease but still providing the challenging and fun-ness of the game!
