Carolyn Graham is the creator of Jazz Chants, which connect the rhythm of spoken American English to the beat of jazz. She developed the technique of jazz chanting during her twenty-five years of teaching ESL in the American Language Institute of New York University. Ms. Graham is the author of numerous Jazz Chants books, all published by Oxford University Press.

Ms. Graham delivered a great tour-de-force for ESOL students to practice grammar in chants and songs. Highly interactive, based on familiar conversation patterns, the chants help to organically drill various grammar points of English. Students and teachers love it. I have been using it for 15 years. Recommended for beg-advanced levels.

Students love it!

This is at the same time simple and exciting. I just love it, and it helps to learn english for adults too.
