Halley's Bible Handbook, Large Print: Completely Revised And Expanded Edition---Over 6 Million Copies Sold

Synopsis

More than 80 years after its initial publication, Halley's Bible Handbook remains a bestseller in its various editions, with millions of copies sold worldwide. Now available in this large print edition, this world-renowned Bible handbook has been consistently updated and revised to accurately provide even greater clarity, insight, and usefulness. Halley's Bible Handbook makes the Bible's wisdom and message accessible to people from all walks of life. Whether they've read the Bible many times or never before, readers will find insights that give them a firm grasp of God's Word and an appreciation for the cultural, religious, and geographic settings in which the story of the Bible unfolds. Written for both mind and heart, this completely revised, updated, and expanded 25th edition retains Dr. Halley's highly personal style. It features:

- All-new maps, photographs, and illustrations
- Contemporary design
- Practical Bible reading programs
- Helpful tips for Bible study
- Fascinating archaeological information
- Easy-to-understand sections on how we got the Bible and on church history
- Improved indexes

Written for both mind and heart, this completely revised, updated, and expanded 25th edition of Halley's Bible Handbook retains Dr. Halley's highly personal style. It features: - All-new maps, photographs, and illustrations - Contemporary design - Bible references in easy-to-read, best-selling New International Version (NIV) Practical Bible reading programs - Helpful tips for Bible study - Fascinating archaeological information - Easy-to-understand sections on how we got the Bible and on church history - Improved indexes

Dr. Henry H. Halley was a well-respected author, minister, and Bible lecturer, dedicating his life to spreading his passion for Bible study and memorization. The original "Halley's Bible Handbook" grew from small pamphlets about the Bible that he gave away to encourage churches and individuals in Bible study.

I have benefitted from my 1991 edition of Halleys for all these years. Age required larger print. In reviewing customer comments I concluded in error that the large print edition would also include the color pictures and maps. It doesn't. I suggest your description of the large print edition state that pics are still black and white pics & maps. Full disclosure is always better. I would probably have bought the large print edition anyway but I am disappointed that it isn't in color too. My misinterpretation of the customer comments on other updated editions. Please help us old folks out with full disclaimers where they exist.

This is a great reference for anyone interested in learning more about the Bible. Pictures are very helpful. I had to chuckle a bit, if this is the large print, I'm sure I would not be able to read the regular (small) print edition. Do yourself a favor and get the large print edition.

This book is a must have for anyone that teaches Bible, or simply wants to know what they are reading!!! I bought it in large print for my husband's uncle. He can't put it down! I have the regular print version myself. Both are exceptional! I do NOT like feel good Christian books and most Bible study books because I feel that mankind's opinion is expressed too freely and that the writer puts too much of their own opinions into those books. This book does not do that. While there are spiritual remarks occasionally, they are spot on with what the Bible is actually saying. The way this book is laid out is pretty much chapter by chapter...you read your Bible, then this book summarizes each chapter. There is an intro to each Bible book that gives the date it was written, the author, and

what is going on at the time. It reads a lot like history at times. There are also other sections to this handbook that give history of the Western Church, the period between the testaments, etc. Buy this book!!!! You won't regret it!!!!

Halley's Is Great...But Be Careful! I have a 1971 small handbook that is just great, and with my eyes needing help these days, decided to get the large print addition. Thought it would be a word for word update with large print. Very glad I got it, but doing a comparison, the later version is NOT just like my 1971 version!! There have been really great new additions like new pictures, graphs, etc. but the text is very different!!! I am still glad I got the large print version, but I am holding onto my older copy as well, as I very much like what Halley had to say in the older version. Not sure who updated the large print version, but since Halley died in the mid sixties, I am pretty sure he had nothing to do with this version. It is still a nice work and is helpful in Bible Study.

I am thoroughly enjoying this book. Large print is nice and hardcover can be made to lie flat since I read this on a lap desk that places it within 12 inches of my eyes, using my 4.5 readers I can read text

I can read the print. It has great readability.

Absolutely love this book. So glad a friend told me about this book. The large print is perfect!

This is an amazing book. Really "fleshes out" the Bible with background information. Henry Hampton Halley's life work is an enormous blessing to those of us who want to know all we can about the Gospel and the Holy Land....
