# Servant Leadership In Nursing: Spirituality And Practice In Contemporary Health Care

## Synopsis

Servant Leadership in Nursing: Spirituality and Practice in Contemporary Health Care embraces the philosophy that a true leader, in any venue, must be a servant of those he or she leads. This text includes current information on the relevance of servant leadership for nurses practicing in a health care setting with extensive literature review on leadership in nursing and healthcare as well as on servant leadership. This unique text also includes many powerful and poignant perceptions and experiences of servant leadership elicited in tape-recorded interviews with 75 nursing leaders currently practicing in the contemporary healthcare system.

## Customer Reviews

I really enjoyed this author, we used this textbook for BSN studies. The author embraces the model of developing servant leadership in nursing. Would read other books by same author.

Excellent service. I recommend this book to all nurses.

For school.
