Zenith (The Androma Saga)

Synopsis

From #1 New York Times bestselling author duo Sasha Alsberg and Lindsay Cummings comes the first book in The Androma Saga, full of action, fantastical intrigue and steamy star-crossed romance. Most know Androma Racella as the Bloody Baroness, a powerful mercenary whose reign of terror stretches across the Mirabel Galaxy. To those aboard her glass starship, Marauder, however, she's just Andi, their friend and fearless leader. But when a routine mission goes awry, the Marauder's all-girl crew is tested as they find themselves in a treacherous situation and at the mercy of a sadistic bounty hunter from Andi's past. Meanwhile, across the galaxy, a ruthless ruler waits in the shadows of the planet Xen Ptera, biding her time to exact revenge for the destruction of her people. The pieces of her deadly plan are about to fall into place, unleashing a plot that will tear Mirabel in two. Andi and her crew embark on a dangerous, soul-testing journey that could restore order to their ship or just as easily start a war that will devour worlds. As the Marauder hurtles toward the unknown, and Mirabel hangs in the balance, the only certainty is that in a galaxy run on lies and illusion, no one can be trusted.
