## Synopsis

Would you like to create quick and delicious Vegan Instant Pot Recipes for your whole family? Would you like to upgrade your life with healthy and nutritious plant based dishes without spending all day cooking? Do you want to easily transition to a vegan plant based diet lifestyle? If yes, then this book might be a perfect choice for you! The Instant Pot Pressure Cooker is one of the best kitchen appliances to use for vegan recipes. If you don't want to spend the next few weeks eating rabbit food, you need a handy vegan-friendly cookbook by your side. Fortunately, this book: "Vegan Instant Pot Cookbook: Quick, Simple, Delicious and Healthy Plant Based Pressure Cooker Recipes" provides readers with tips and tricks on how to transition from a full or semi-carnivore to a full-pledged, but well-fed vegan. Gone are the days when vegans either ate nothing but fresh salads, or survived (barely!) on processed junk labeled "vegan-certified." With this book, any vegan with novice culinary skills can create delicious meals by just pressing a few buttons. This book contains easy-to-follow vegan-safe recipes utilizing the numerous cooking functions of the Instant Pot, including pressure cooking and sautéing, to name a few. Almost all recipes in this book entail preparing a few ingredients beforehand, placing these in the Instant Pot, and pressing a few buttons. The machine does all the hard work. And because this machine has pressure cooking functions, dishes cook at a fraction of the time as compared to stovetop cooking, or oven roasting. Some of the benefits of a Vegan diet: Younger looking skin, Healthier hair and nails, Weight loss, Longer lifespan, Lower blood sugar levels, Improved kidney function, Protection against Cancer, Lower risk of heart disease. Reduced pain from arthritis, Increase in energy levels, Drop in Cholesterol. And the list goes on... What is included in this book: Benefits of using the Instant Pot Pressure Cooker, Introduction to Veganism, Benefits of going Vegan, Basic Instant Pot Guidelines, One Pot Meals recipes, Delicious Soups & Stews recipes, Veggies & Greens ideas, Tasty Grains and Lentils recipes, Mouthwatering Main Courses, Healthy sweet tooth Desserts, Bonus recipes. So, what are you waiting for? Grab a copy of this book, and embark on your new healthier lifestyle right now, for a limited time discount of only \$0.99!
