Super Fly Guy (Fly Guy #2)

Synopsis

Fly Guy loves the school lunchroom. He loves the dirty dishes, the smelly mop, and the garbage cans. But when the lunch ladies discover there's a fly in the cafeteria, chaos ensues! Though Fly Guy makes a mess of things, he also shows his powers as a Super Fly Guy! Using hyperbole, puns, slapstick, and silly drawings, bestselling author/illustrator Tedd Arnold creates an easy reader that is full of fun.

Customer Reviews

Kindergarten-Grade 2
In this easy chapter book, Buzz's pet fly attends school with him. When the lunch lady allows the insect to live in the lunchroom, she is fired. Fly Guy is subsequently banned from the room by her replacement, who is a terrible cook. Finally, Buzz comes up with a plan, Roz is reinstated, and Fly Guy gets to stay in the lunchroom. The writing is fast paced, the plot is interesting, and many of the humorous and mildly gross details will appeal to children. The cartoon illustrations are funny and action-packed and the layout is appropriate for beginning readers, with one or two sentences per page. The text has suitable repetitive phrases to aid the developing fluency of students beginning to read independently. It could also serve slightly older reluctant and struggling readers.

K-Gr. 3. There's definitely a "buzz" in the school lunchroom. It's Fly Guy, Buzz's pet fly. Fly Guy loves the dirty dishes, the smelly mop, and the garbage cans. When he meets Roz, the lunch lady, she pronounces, "No flies in the lunchroom!" Then Fly Guy endears himself to her by saying her name, "Rozzz," and she feeds him treats (fish heads in sour milk). Sadly, Roz is fired after her boss demands a fly-free lunchroom. She is replaced by Miss Muzzle, who burns the peas and turnips. Everyone misses Roz, and Buzz makes a plan. After Fly Guy boinks Miss Muzzle on the nose, she tries to swat him and makes such a mess that she is fired, and Roz returns. Arnold's golf ball-eyed kids and fly are amusingly and comically exaggerated. Together with the zippy metallic cover and simple text, divided into three short chapters, this book is a delight. Very cute book , my sons love fly guy very engaging story's to keep them excited about what happen next bright color with lovely pitchers and the story is not to long or to short . Book was delivered on time . The book had no squished corner and the book is not flimsy , for a paper back book I have very happy to find how sturdy the cover was and the pages are thick to . I have bought many of the fly guy book over the passes 6 years but only hard cover from stores . Being our first paper back of fly guy we were very happy with the quality of the book I recommend it to any one that was a good silly book to read - enjoy

My 6 year old son who is in the beginning stages of reading loves these books. Its really hard to get him to read books, but for some reason he gives no resistance if hes reading the fly guy books. This one is kid tested and the reason for the 5 stars.

Love the fly guy stories, and grandkids look forward to new books.

Great for emerging readers! Easy reading and silly and fun too.

Great product! I love it!

Fly Guy series strongly recommended by 1st grade teacher

My son loves these books. I can certainly tell I'm not the target audience, but since he likes them, then so do I. When I asked him how many stars out of 5, he said 4, so there you go.

Tedd Arnold books are great for any fun loving boy (or girl, for that matter). The humor that Tedd Arnold incorporates in his books makes not only a 6 year old boy laugh but also the adult reading it with him. I never walk away from reading his stories in a grumpy spirit. The illustrations are wonderful and make the books even more exciting!
