## Customer Reviews

Mud Pie Annie encourages level-one readers to be creative and do their very best. As a gourmet mud chef, Mud Pie Annie knows that God wants her to work at everything with all her heart. Early readers from preschool to first grade will find the rhyming text of this colorful, softcover book a joy to read.

Sue Buchanan is the coauthor of the best-selling *I Love You This Much*. She is also the author of *I'm Alive and the Doctor's Dead*, *Girls Just Gotta Have Fun*, *Duh-Votions*, and *Mud Pie Annie*, and coauthor of *Friends Through Thick and Thin*. Sue lives in Nashville, TN. Dana Buchanan Shafer was a harpist, editor and writer. She and her husband, Barry developed a

Bible-study product for teens called InWord. Joy Allen feels that illustrating children's books is very much a passion as is Mud Pie Annie's mud! Ms. Allen began illustrating children's books in 1997 after a long career in graphic design. She has been profiled in Children's Writers & Illustrator's Market, and was featured as editor's choice in Art Gallery Magazine. Her most recent picture books include Hold the Boat and My Best Friend Bear.

The story line is cute. My granddaughter picked it out of all the children books that I have (which is about 20 books) and that is all that mattered.

I love mud. My grand-daughter loves mud. So, this book resonated for her.

When Annie can't make fantastic mud pies she makes bubble mountains. The point, always do your best. The pictures are smaller and the words are not over the pictures in my version. They are on the same page of the pictures though.

A little pricey for one book.

This book has a cute story. It rhymes so it's easy to read; however, the concept is a little deep for young toddlers. The illustrations are cute and my little girl (2yrs old) enjoys the book, but it'll be quite a while before she gets to moral to the story. Between now and then, it'll probably encourage some good mud-pie making :)

It was very helpful with preparing my daughter for Kindergarten. I would recommend this to all children who enjoy reading.

Originally published in 2001, Mud Pie Annie is newly available as part Zonderkidz' "I Can Read!" series. It stars as a Level 1 (Beginning Reading) book. Written by Sue Buchannan and Dana Shafer, this story tells of Annie, a spunky girl devoted to perfecting her culinary creations. Unfortunately, all her ingredients come from the back yard. Using mud, sticks, dirt, grass, flowers and berries she creates masterpieces with the greatest diligence. But no one wants to eat her entrees. Her friends find other things to do. Her parents run away, then return only to declare it's bath time. At first Annie sulks in the tub, but then she grabs her bowl and spoon and starts creating something new. She sings: "If I make mud pies or dishes for a queen, I'll always do my best, for there is no in between."

Annie concludes, "God sees what's in my heart, not the mud between my toes!" The illustrations by Joy Allen (original to the first published edition) are full of character. They feature dark, detailed outlines and fun, vibrant watercolor. Parents will also note the Scripture quotation at the front of the book: Colossians 3:23 which reads "Work at everything you do with all your heart." What I Like: Everything! This offers a great story in a format perfect for beginning readers. The rhyming text teaches a lesson while reinforcing phonetic skills. What I Dislike: Nothing. Overall Rating: Excellent. Tanya -- Christian Children's Book Review

I love mud pie Annie! She was like my role-model when I was little. I'm so glad I can get this book. I don't know what I would do without her. On a street I used to live on after a rainstorm I would always make mud pies. I pretended I was Annie.
