Customer Reviews

Vesta Abel succeeds at providing a very clear, easy to follow step-by-step manual on creating wonderful bracelets. This is a great afternoon crafting project for any adult (or even to do with your kids). Vesta's writing style is also very accessible, so even non-English speaking people like myself can easily follow.

I make polymer clay jewelry and i need to learn a lot so this book was helpful to me i love it easy to follow I'm loving my prime free books and movies

nice book!

Great book.

Very easy to read and photos were nice as well. I am a visual learner so all of the step by step instructions along with photos were a bonus.
