Good reading. I always enjoy women of faith stories, bible studies and inspirational reading material. It helps in my everyday life. The authors are real people and they give good reading material.

Liked the light storyline, with an excellent draw you in type of story! It was a great summer read that let you enjoy the tropics as you enjoyed the characters sharing it with you.

I was happy to find this product for my kindle, since I prefer inspirational books. I will probably be ordering more like this, since the stories were so well-written.
