Vintage British Shotguns: A Shooting Sportsman Guide

Synopsis

This authoritative guide to British-made shotguns looks at individual makers, their products, and the selling points of particular guns. In some cases Wieland also notes negative points or product limitations. While the book will be welcomed by gun collectors worldwide, it is particularly useful to those who are curious about British makers whose production was or is substantial enough that their guns would have crossed the pond into North America.

Book Information

Hardcover: 328 pages

Publisher: Down East Books; 1 edition (December 16, 2008)

Language: English

ISBN-10: 0892727748

ISBN-13: 978-0892727742

Product Dimensions: 6.4 x 1 x 9.4 inches

Shipping Weight: 1.5 pounds (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars 16 customer reviews

Best Sellers Rank: #931,140 in Books (See Top 100 in Books) #91 in [Books > Sports & Outdoors > Miscellaneous > Equipment & Supplies](#) #237 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Firearms & Weapons > Firearms](#) #655 in [Books > Sports & Outdoors > Hunting & Fishing > Shooting](#)

Customer Reviews

much better than Spanish Best. A good introduction to British shotguns, why four and not five? The repetitiveness in some sections were a little much.

Wieland's writings are like good wine, they improve with age. Long are gone the times when he wrote "Spanish Best: the Fine Shotguns of Spain" and spent half book telling us his loaded version of the Spanish Civil War. So much for being then an enthusiastic journalist and yet a promising gun expert. Vintage British Shotguns comes amongst the best compendiums written on a subject nowadays crowded with interesting titles. Articulated, well organised and full of useful information, it is easy reading though it seems that two hundred pages come too soon to an end. Useful for newcomers and experts, collectors and upland shooters. This book compares very well with his previous "Dangerous-Game Rifles" and tells that his time is ripe for a third improved edition of "Spanish Best".

Got this book for my father on Father's Day. I haven't seen it but he said it's one of the best books he ever read on the topic with a vast amount of information on both the history of the guns and on the actual vintage guns themselves.

As a collector of old British shotguns this is one of the best books I have ever come across. It is absolutely packed full of information.

I recently finished this book and was fascinated. If you're in the hunt for a fine British made S x S, you should read this first. It tells in detail about the history and making of fine doubles. I really enjoyed the reviews of the British makers and the comments regarding their quality. Ralph K.

Pleased with the purchase.

I appreciated the definition of a British game shotgun along with supporting information. It was an interesting read for me.

Very detailed, I like details, a book I will keep on my shelf permanently, would recommend to anyone a fan of vintage
