Great book to introduce pre-school kids to the rainforest. Nice illustrations and can't go wrong with Dr. Seuss! Read this as part of Rainforest presentation for preschoolers and they loved it !

I love Cat in the Hat and the Cat in the Hat Learning Library is the best and educational fun learning. This book is all about the rainforest from the trees and plants, bugs and critters, to animals and native humans. Everything your child could ever want to know about the rainforest is all right here. A must have for your Cat in the Hat collection.

Cant go wrong these books, my daughter really liked this one.

Great read aloud to introduce the rainforest. I used it as a first day of school read aloud to start our rainforest theme this year. Even though it is cat and the hat my third graders still loved it!

My students will be studying the rainforest and will be celebrating read across America as well. This book suits both purposes. Got the book in plenty of time too.

Great book. I used this for a lesson in my first grade class. The children loved it and it let itself to multiple teaching opportunities. Very informative.

My great grandson has themed his bedroom rain forest. I read this to him on a beach trip and he enjoyed it a lot.

Informative, engaging, and doesn't hedge on conservation and climate change. Can't miss.
