Elgar (Classic Reprint)

Synopsis

Excerpt from Elgar
Elgar was in his early days a violinist, which accounts for so much of his youthful work being written for the violin. Op. I is a Romance for violin and orchestra (or piano), melodious and refined, and already exhibiting, in its seventh bar, a type of phrase that has run through his work from first to last. About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
