Level 3B - Performance Book: Piano Adventures

Synopsis

(Faber Piano Adventures). The 2nd Edition of the 3B Performance Book offers appealing, pianistic pieces that closely correlate with the Lesson Book concepts. Students will enjoy a German Dance by Beethoven and a selection from the Notebook for Anna Magdalena Bach, as well as arrangements by Strauss, and a four-hand duet by Felix Mendelssohn. Well-loved standards such as "Hava Nagila" and "The Star-Spangled Banner," along with new originals by the Fabers, provide a variety of major and minor keys, accompaniment styles, and pianistic expression.

A OK

worked great!

Students are beginning to sound great at this level. The arrangements teach and entertain.Faber Piano Adventure books are my favorite for all the students!

It is good! Easy to learn for kids!

This series is fantastic - beautiful arrangements that are easy to play and make the student feel as if

they are progressing quickly.

My 11-year-old has used Faber piano books for three years. His teacher loved them because they reinforced the A.I.M. (Achievement in Music) requirements. Most of the pieces are fun to learn. There are a few clunkers, but what's perfect?

My piano teacher got me started on these books. For people who like being self taught, I believe they are excellent. Of course we often need the experience of a wise teacher to catch our faults. There are three to four books in the series and even if you have some experience, start at the beginning because the Faber's will help catch bad habits.

The book came in excellent condition!
