Synopsis

From executive producer Roma Downey comes a faith-affirming brand created just for preschoolers. Little Angels is a faith-based series created just for preschoolers that focuses on eight Little Angels who are guardians, teachers, and companions to twins Alex and Zoe. Throughout each story, children will learn practical lessons, values, and biblical truths in an engaging and appealing manner. In Everybody Counts, twins Alex and Zoe are having trouble counting their animals. The Little Angels fly in to help the children learn their numbers, along with the idea that everyone is important to God. For each number, the Little Angels show Alex and Zoe examples -- some from the Bible, some from the twins' surroundings and their everyday experiences. Customer Reviews

My kids love the little angels! My only complain is I wish that the book was a little more geared towards my 2 and 4 year old, some of the language is not as relevant to a child as I would have liked they definitely could have used different more basic words and there were quite a lot of words per page as well, will be perfect for them when they reach 5 or 6 years old!

This is one of my daughter's favorite books! She absolutely loves it, and I would recommend it to

anyone with little kids. There's a clear references to the bible and it teaches counting (and it rhymes!).

My Grandson seems to like it. Thank you -

my daughter really loves these books & other angel books.

Great book for the kids
