This is exactly what I expected when I ordered this stencil set. I'm very pleased with my purchase and my daughter loves them.

A lot smaller than I thought but my granddaughter loved it,

Nice.

This was a small add-on to a Christmas gift for a 10 year old girl who loves horseback riding and also loves to draw. It makes for lots of creativity and fun when adding horse stencils in various poses to a drawing. She has really enjoyed creating scenes with these stencils and the item is also small enough to take along as well.

My wife used for my daughter's birthday party gift bags and they were easy to use and look great.

Painted our 1-ye old daughter's playroom and we used the stencils on different spots of the wall with chalkboard paint. So she can color the horses. We lived the stencil book. It has a few different horses and styles. And it shipped quickly. Thank you so much.

kids loved these

Tis is a nice small extra to add to a special gift for a young horse lover. Sturdy stencil sheets that can be used over and over.
