If you're not going on an organized trip, this is the easiest way to plan your vacation. I just got this book yesterday and already have a great idea of exactly what I want to do when in Hong Kong. I just purchased this same book for Tokyo and have already recommended it to all of my friends and coworkers. Can't go wrong with this one.

I bought the guide for Tokyo and also this one for Hong Kong. I will recommend it to everyone! It's easy to carry on the trips, it has good selection of places to visit and it's not expensive.

This little gem is perfect. When i travel, I like books that are portable, sweet simple and to the point. Perfect 3 day or week itinerary.

A great way to plan your trip. I love that there are multiple flip pages for each time of day.

Great little book for planning my trip.....

it worked for my trip

Helpful guide.

I miss real maps...books don't work for me; I loose perspective.
