Dozier's Waterway Guide 2009 Northern Edition (Waterway Guide Northern Edition)

Synopsis

Updated annually, WATERWAY GUIDES 2009 NORTHERN edition is the indispensable cruising companion for boaters exploring the Atlantic coast from Cape May through Maine, as well as the Hudson River, Long Island Sound and Cape Cod Bay. The guide features mile-by-mile navigation information, aerial photography with marked routes, marina listings and locator charts, anchorage information, and expanded Go In Ashore articles on ports along the way. Helpful cruising data like GPS waypoints, detailed planning maps, distance charts, and bridge tables help get cruisers there safely. Flexible spiral binding and heavy laminated covers with bookmarker flaps ensure durability and easy use in the cockpit and at the helm.

Customer Reviews

These are good guides for traveling unfamiliar areas. However, Dozier guide books are a little over priced. They also lack some listings and information such as whether or not marinas have rooms or lodging available. They do vaguely list 'nearby lodging' but not at the marina. They also do not list ramps for trailering boaters, only rails and lifts. until a better guide is made this is the standard for the ICW.
