What a fun book!! I made the princess/ice princess for my 4yr old grand daughter and she loved it. I made changes to the pattern, (I hate seaming), and knitted everything in the round, which worked just fine.

very cute

Such a fun knitting book. The dolls are beautiful with incredible details! The directions are clear and concise.

I was looking for topsy-turvy dolls that were knitted flat. These are great and the extra patterns for the accessories make it even better. Would certainly recommend this book.
