Julie Sedenko Davis has traveled extensively throughout the United States, Europe and Asia, and even spent a year in southern Cambodia. An interest in television and writing led to positions as a radio and television writer, producer and reporter. Her work has been published in newspapers, books, religious publications and parenting magazines.

I bought this book for my in-laws who travel to Branson once a year for the shows and golfing. There are so many more tips and attractions to be found. They loved this book.

This guide would have been five stars except it is not very comprehensive. The information inside is good and seems accurate but not very complete.

Lot's of good information. Even though I from the Branson-Springfield area, I learned some things

that i did not know.

Great book for the money
