Customer Reviews

A beautiful, and well written love story. I am unfamiliar with the art of dance, so this book was an eye opener into that world, and I thoroughly enjoyed how that aspect was woven into this romance. Jaci and Josh's story is intricate, sometimes fragile, but wonderful none the less. Ms Stallings is a master story teller.

I have read a lot of books by Staci Stallings and i generally find them absolutely amazing. This one is my new favorite. So gritty, so deep and so inspirational. The romance part was toe curling sweet as well. I love this book and would recommend it to thise who love to read about real people facing real challenges

You will not regret reading "Dance With Me"! Absolutely the best book I have read in a long time. Exactly what I needed. Josh and Kaci are precious. I love their story. I would write too much if I started sharing about them. But, I will share my favorite character...Mr. Wallace. I loved this man, his stories, his analogies, his grace, his truth, his trust. His "empty bowl" hit me incredibly hard, brought me to tears. Buy this book! Read it! Such a wonderful story! You will LOVE it! Thank you, Staci, for writing! You spun this one out of the studio!

I really enjoyed this book. Matter of fact, I had trouble putting it down. My reason for 4 stars is that it could have used a bit more editing. I'd give it a 4.5 if I could. Staci is becoming one of my favorite authors.

Kaci is a poli-sci student after an injury that stopped her career in dancing ballet. Josh is almost

homeless with no aspirations and no hope. Their meeting, interactions, and magnetism start a chain reaction of events that changes each of their lives. Hope is born. Loved this story.

I absolutely loved this book. There were a few places that went a little slow, but I fell in love with "dance" again through the wonderful descriptions and "feelings" that she described so vividly. I loved that the author kept your imagination going through the beautiful characters and their love. The dance scenes were so much sexier than any of the books out there. What a classy author!! I will read this book again!

Dance with Me is a beautiful story of grace. Every time I read a Staci Stallings book I'm sure THAT one is my favorite. Her words speak to me, challenge me, and give me much to ponder. Josh and Kaci grew a lot within these pages and I think I did too. I'm not quite sure how, but Ms Stallings delivers an amazing story every single time. You don't want to miss this one.

Page turning story about life's disappointments and changing one's paths to be true to self. With the compelling story line and conflicts, it was easy to overlook a few typos. The story flowed and touched on contemporary topics of losing one's dream. The characters in this story adopted well to their new circumstances. Nice summer read.
