Claiming His Little Princess: A Fertile First Time With The Man Of The House

Synopsis

"You're my little princess," he growled. "Every inch of you belongs to me. And now I'm going to claim what's mine." Innocent Sophie has always had a taboo crush on Ben, the man of the house. He used to call her his little princess, but lately he's stopped paying any attention to her at all. And worse than that, one night she overhears him using the pet name for someone else! If Sophie isn't Ben's little princess anymore, at least she can still pretend she is. When everyone else is out, she sneaks into his bed for some special alone time. When Ben comes home early and catches Sophie stripped naked and dripping wet, he decides to make her fantasy a reality. But if they're going to do it, they're going to do it his way: rough, raw, and with no pulling out!
