The Language Of Thorns: Midnight Tales And Dangerous Magic

Synopsis

Inspired by myth, fairy tale, and folklore, #1 New York Times-bestselling author Leigh Bardugo has crafted a deliciously atmospheric collection of short stories filled with betrayals, revenge, sacrifice, and love. Enter the Grishaverse... Love speaks in flowers. Truth requires thorns. Travel to a world of dark bargains struck by moonlight, of haunted towns and hungry woods, of talking beasts and gingerbread golems, where a young mermaid's voice can summon deadly storms and where a river might do a lovestruck boy's bidding but only for a terrible price. Perfect for new readers and dedicated fans, the tales in *The Language of Thorns* will transport you to lands both familiar and strange to a fully realized world of dangerous magic that millions have visited through the novels of the Grishaverse. This collection of six stories includes three brand-new tales, each of them lavishly illustrated and culminating in stunning full-spread illustrations as rich in detail as the stories themselves. An Imprint Book "Marvelous tales, as full of twists and delights and strangeness as anything found in the Grimm Brothers. Leigh Bardugo is a master." — Kelly Link, author of *Get in Trouble*
