I purchased this as a Christmas gift for my 11 year old sons, who like to read every night before bed. This is a great book. They have picked it up every night and read it without me asking them too. This tells me that it is interesting to them and they are getting something out of it. They have seen me read my Bible every night and know the importance of having Christ in our lives. We attend church regularly, but having this extra reminder every night is a good way of helping them grow in their walk with God. Would definitely recommend.

3 minute devotions i bought for 6 year old son, but it is too advanced for his level. I think the description should of given a age range, it says for boys but i would say for young men /teens. Information inside is great and my review is not based on information in the book just that the description could of been more specific.I did not return it instead i am going to give it to someone in that agerange.

Some of the wording seem strangely strung together, making it more difficult for my son than it should be. But great concept and helps open conversations with between he and I and most importantly giving tools for communicating with God. Book was listed as good used- when received there were readout not even signs of minimal use.

This is perfect for my 8 year old! I love the time we spend together discussing these and they are so quick we can do them most mornings in our busy days!!

Love being able to read this to my son at night before bed. Devotions are the perfect length and work great for my 10-year-old.

Great book for our son's bedtime. The short positive messages provide him the perfect end to his day at bedtime. I'd recommend it for anyone with an elementary thru high school aged son.

My 10 year old son loves it he keeps it by his nightstand and reads a chapter every night.

A perfect small sized daily devotional for boys. Short and to the point which will probably entice the kids to read daily.
