Shipping Weight: 8 ounces

Average Customer Review: 3.9 out of 5 stars 24 customer reviews

Best Sellers Rank: #943,758 in Books (See Top 100 in Books) #53 in Books > Travel > Europe > France > Provence #1292 in Books > Travel > Europe > France > General #2094 in Books > History > Europe > France

## Customer Reviews

We used this book on our trip to help with ideas of what to see and where to eat. For example, in Orange, it began to pour (we were there in the winter) and so we dove into the book to look for recommended museums and found the Museum of Ancient Art which was a nice respite from the deluge. We also used it to stop off at a few cafes during our day strolling around Aix. The recommendations were spot on. This book also led us to visit a wonderful confectionary shop in Carpentra filled with artful fruit confit of tangerines, melons, figs, pears...It shouldn't be your main guide but is a fantastic supplement.

I love DK books. For some reason this was not that great. For instance, it listed restaurants in Cannes and Monte Carlo in the same section. If you have been, it's not like you can go to a restaurant in Cannes and then decide maybe I want to go the other restaurant which is located in Monte Carlo. It's not like let say Barcelona old town and you decide you want to go to alas Ramblas instead, it's still walking distance or a short taxi ride. I was a little disappointed to say the least considering I have enjoyed DK Top 10 Paris, London, Madrid, Barcelona, Miami, etc..

LOVE the Top 10 books! We typically travel to Europe on business and have only a day or two to explore wherever our job has taken us. The Top 10 books are great at highlighting the tourist attractions, sights and other things to do. I also enjoy the brief background information you find throughout the book. This book is a little different than other Top 10 books since it's covering a region of smaller cities rather than 1 big city and nearby areas. Regardless, it was a great resource for us and I'd highly recommend it.

she likes it

Not well organize. Links that supposedly lead to more info about a location merely toggle back and forth between each other. DK is slipping, at least in this Kindle offering.

Love top 10. It is small enough to fit in your purse. Hits the main highlights of the city including food and easy to read maps. Makes travel easy breezy.

Excellent condition. It has all the info I need for my trip.

as always, I love these travel books. If you don't know anything about a location you plan to visit, this is a great place to start.
