Customer Reviews

The book is what it says it is...Basics. It is a short good read for someone wanting to know about cupping and it's origin.

A few helpful tips.

This was a well written concise book. Wonderful info. Direct clear details. Nice background info too. Will make you feel comfortable to try it and soon very competent in sharing this wonderful healing tool.

the pictures of where to put for what are so small that I can't read any of it. Not even my teens and they have the eyes of eagles.

I have been doing cupping on a daily basis and seem to be noticing a difference. The book is very clear and well written and well worth the read

great review of the basic know-how.

Pretty informative.

If you are interested in learning about the basics of dry cupping, don't buy this. That information is not in this book.
