Customer Reviews

I love it! I wish there was a part 2 and that it was longer though. It's super adventurous and exciting with moments of danger and fear. So outstanding and critical on my feelings! One moment I hope everything's okay, then the next everything turns out as a huge surprise! I didn't believe at the end of the story Talla actually wanted to go with the man in black to give the other Pokemon freedom! She and Fang are so brave and strong, and fearless! Red, you have outdone yourself! Please! Oh Please make another book for this! It brings me much joy and strengthens my love for Sylveon much, much more! Thank you for making this outstanding, incredible, and surprising book to lift my spirits from all my other feeling. Reading good books always soothe me and makes all my troubles

go sideways. This book blends in and stands out from all the other books I read, from the 1st to the latest. I couldn't be pleased more than this. Again, Red, Thank you!

Eevee is an awesome pokemon with a lot of evolution branch. When i thought it can evolve into only 3 pokemon, Sylveon came as a shock. A fairy type? wow. I definitely will not miss this kinda books. Sylveon will b an awesome contest winner. Cute and powerful. Nice book.

Red has outdone himself yet again! This time the heroine is Talla, a Sylveon battling against the Mega Corporation. My son just loves reading about exotic places like Petalburg Woods and it helps build his imaginative skills. Great read!

I couldn't wait to uncover the mystery in this tale and know whether Talla would escape from the evil human? It's a lovely story that kept me engaged for the entire afternoon.

By far the cutest Pokemon I have every seen and imagining it fight all the evils is just mesmerizing.Keep it up, awesome work by the author. My kids loved it very much

Okay, simply put, this book's approach in writing is worth buying. You will love the way the mystery in this story is all uncovered to suit the whole story.

Another fun and exciting installment by Red Smith. As a huge fan of his work, I can say that this is certainly another hit. I loved it and I highly recommend this for any unofficial Pokemon book fanatics and children of all ages. Great work with this one!

If you want to read something creative and want to continue the legend of Pikachu, then this book is a must! A remarkable way of expressing the story.
