Florence: The Best Of Florence For Short Stay Travel

Synopsis

Florence Travel Guide!!! Florence is probably the most Fascinating and Romantic city in the world!!! Florence is the art capital of the world. Florence is the city that gave the world the Renaissance and artists like Leonardo da Vinci. The story of Florence is one of creativity. There is almost too much brilliant art in Florence. Florence might be a city of historical significance, but it has an amazing restaurant and nightlife scene. Florence is a mix of old and new and you will come back to Florence after one visit! This guide will guide you through Florence and show you the best the city has to offer. If your time is limited, then this short stay travel guide is perfect for you!! Let's take a look inside the Florence Travel Guide: The History of Florence, When To Visit Florence, Neighborhoods in Florence, The Best Places To Visit, Transportation in Florence, Where to Eat in Florence, Safety In The City, Accommodation around Florence, Much, much more!! (Please note that paperback version of this book only has black and white pictures. If you prefer color pictures, then I recommend you buy the Kindle edition of this book.)

Customer Reviews

I do travel quite a lot but I've never been to Italy even though it's been on my list for quite a while. After reading this travel book on Florence, I'm putting this city at the top of where I want to visit in Italy. It has a lot going for it. The birthplace of the Renaissance, home of Michelangelo, Botticelli, Leonardo da Vinci, the Medicis, Machiavelli. Michelangelo's David, probably the most famous work of sculpture is there and according to the author, and a lot of others, the city is a beauty beyond compare. I liked the way this book is structured, starting off with a brief history, transport, the areas of the city such as the Duomo, museums, art galleries, best coffee shops, bars,

restaurants and special things to do. What I liked best about the book is the section at the end called A 3-Day Itinerary, which is a logical plan to see the vast majority of places and things covered in the book which is a great idea if you're not sure where to start. Like, why not head off to the Uffizi Gallery right after breakfast and check out that Raphael painting you've always wanted to see?

Despite its relatively recent publication date (Nov. 2015), this guide is badly out of date in some cases. It includes descriptions of sites that no longer exist (e.g. Museo Storico Topografico di Firenze com'era - which has been disestablished, as I discovered when I tried to visit). It is also written in somewhat broken English.

We will take this one with us for sure. I want to fill each day to the brim.

This was a helpful book. It's not long, but has good, good information. The first few chapters and last few had really great information that helped me get a feel for and get around Florence more confidently (and as a result, I did more exploring than I otherwise might have). The middle part of the book has recommendations and "best" lists. Thanks to the author for putting together a lot of useful information in a well written, concise, and easily understood format. You made our trip to Florence better!

Short and simple with charming fractured English. A great guide with helpful tips and useful information
