Smith And Hogan Criminal Law: Cases And Materials

Synopsis

The legal principles and rules involved in the study of criminal law are often complex and technical. It is therefore essential that students have a clear and comprehensive account of the law to guide their study. For generations Smith and Hogan has fulfilled that need. Smith and Hogan Criminal Law: Cases and Materials provides the necessary materials - cases, statutes, reports, book extracts and articles - for an in-depth study of the general principles of criminal law. Introductory notes and commentary link the materials enabling the reader to gain an insight into the problems that may arise. The ideal partner to the Smith and Hogan Criminal Law textbook, this book provides a complete guide to the study of criminal law. This ninth edition has been updated to incorporate new legislation including the Sexual Offences Act 2003 and relevant new case law.

Customer Reviews

``The extracts selected are well chosen and direct the reader to the key passages in the relevant case law.'' Jonathan Herring, Times Higher Education Supplement ``The extracts selected are well chosen and direct the reader to the key passages in the relevant case law.'' Times Higher Education Supplement

David Ormerod is Professor of Criminal Law at the University of Leeds and was Visiting Senior Research Fellow in the Faculty of Law at University College London in 2004-5. He is the Cases Editor of the Criminal Law Review, in which he publishes monthly commentaries. He has also published widely on aspects of criminal law, the law of evidence, and procedure. He is a Barrister in

the Chambers of David Etherington QC, 18 Red Lion Court.

Was fairly new ... Good buy

Great

The book was as advertised. The packaging was very good too! Keep up the good work! Others are counting on you for good service. Good stuff.

excellent condition

This book offers a comprehensive coverage of English Criminal Law. It is extremely well suited as a primary text for the Criminal Law curriculum of any LLB program. Be sure to stop by in the online resources offer by the books website and pickup the latest updates. I used it as part of University of London LLB program and I definitely benefited from it. Readable and well written and quite engaging as a textbook. Recommended for any law student wishing to gain an understanding of English Criminal Law or for faculty who would like to adopt this as their primary criminal law text. Bear in mind that the coverage is primarily "substantive" criminal law and not "procedural" criminal law.

it is recommend. very good. This product cuts through bread like a hot product through butter. Great product! my company need it , fast and in time.
