The Rhyme Bible Storybook For Toddlers

Synopsis

Children love the soothing sound of rhyme. And now they can enjoy ten classic Bible stories retold in delightful, read-aloud rhyme in this padded board book edition of The Rhyme Bible Storybook for Toddlers. From the story of creation, to the resurrection of Jesus, this is the perfect choice for parents who want to introduce their toddlers to the Word of God. Filled with colorful illustrations, each story teaches important Bible truths while giving children a reading time that's packed with wonder and fun.Â Â

Customer Reviews

We really like this book at our house. My two-year-old will happily sit through reading this, and already has some parts memorized. I like the fact that the stories are simple but true to the Bible; even the fact that Jesus died is not omitted or glossed over. The pictures are cute. I only wish 1. there was more diversity in the people--everyone looks pretty Europeanish/whitish. 2. In my dream world, this book would not contain depictions of Jesus--but that's so rare. Otherwise an excellent choice!

It is very difficult to find quality literature for children. It is even more difficult to find quality Christian literature. This book will be used to build our new children's program at church, and I'm happy with the purchase. This is at a toddlers level and has very nice pictures. This does not go through the whole Bible, but it does feature the resurrection of Christ, which is nice. If I were selecting this for teaching the Bible to my child, and it was the only one I planned to purchase I would pass this version up. However as a compliment piece I'm excited about using it.

Cute book! Durable board book with squishy cover. I don't particularly like the illustrations (brighter colors/more contrast would be better), but it's very nice that Jesus is drawn with darker skin and hair than in many other books for kids. I like that it rhymes. There are some stories left out that I particularly wish were included, but it would be gigantic if it included everything. It is about the same size as the average pew Hymnal or Bible.

I grew up listening to Bible stories as a child and therefore wanted to continue the tradition with my son. I purchased the board book so that it would last longer and withstand the teeny toddler hands. I am happy with the purchase and so is my son.

My Sunday School children, aged between 4 and 6 years, love this easy to understand book

Very good book for toddlers.

It's all in rhyme which is the best for toddlers. The drawings are beautiful and reading level is perfect for toddlers.

Some of the rhymes are a little cheesy, but my two year old really enjoys this book.
